

Your journey, a timeless legacy

THE LIVING LEGACY PROGRAMME

A Living Legacy is a deeply personal expression of gratitude and belief - belief in the transformative power of education, research and innovation, expanding opportunity and IIT Bombay's enduring role in shaping thinkers, innovators and nation-builders.

Known globally as bequests or planned giving, the IIT Bombay Living Legacy Programme enables you to designate IIT Bombay and/or the IIT Bombay Heritage Foundation (IITBHF) as a beneficiary in your will, trust, estate plan, IRA accounts, and other giving vehicles, creating a lasting legacy that supports future generations and advances the Institute's long-term impact.

What Your Legacy Enables

Philanthropy at IIT Bombay enables far more than individual projects - it helps build enduring national capability. It supports breakthrough research, empowers talented students, strengthens world-class infrastructure, and accelerates innovations across areas such as healthcare, sustainability, artificial intelligence, deep-tech and many more. Every contribution helps transform ideas into real-world impact while ensuring IIT Bombay continues to shape leaders, advance knowledge, and drive meaningful change for generations to come.

Life Insurance Beneficiary

How it Works

1

Start the conversation

We will work closely with you to understand your areas of interests and explore how you would like to engage with and support IIT Bombay.

2

Exploring Giving Modalities

Our team will guide you through the different giving modalities available to support IIT Bombay, answer your questions, and help you identify the approach that best meets your philanthropic goals.

3

Confirming Your Gift

We will help formalise your commitment through a Memorandum of Understanding.

4

Stewardship & Staying Connected

Our stewardship team remains closely engaged, sharing regular updates and creating a seamless experience for your engagement with the Institute.

Gratitude & Recognition

1. Living Legacy Circle

An opportunity to become part of the IIT Bombay Living Legacy Donor Circle.

2. Acknowledgement across platforms

Acknowledgement across IIT Bombay's publications, digital platforms, and communications with the broader IIT Bombay community (in accordance with prior consent and individual preferences).

3. Access to Curated Events

Invitations to engage with fellow philanthropists and IIT Bombay leadership, while staying connected with the Institute's latest initiatives and milestones.

4. Stewardship Support

A dedicated stewardship team to support you at every step, ensuring your legacy is carried forward.
